Hello and Welcome to Our Website!

Open to all students and alumni, Career Services is the clearinghouse for services and resources to assist individuals with their career planning and job search needs. Whether you are deciding on a major, exploring career options, making a career change, preparing job search documents like resumes and cover letters, or searching for internships, summer jobs or post graduation employment, our trained professionals can help you make career decisions and target employers that are consistent with your skills, interests, values and personality.

The links at the top of this page will connect you with the services and programs we offer students, alumni, faculty, employers, and parents. The resources link will connect you with our career guides, tutorials, and online job and internship databases.

We are your first step for all things career-related. So take a moment to explore this comprehensive website and familiarize yourself with all we have to offer!
