

## **Parent & Student Roles: Pre-College**

---

### **PRE-COLLEGE STUDENTS**

#### **Student's Role**

- Prepare for entry into college
- Develop awareness of personal, educational and career goals
- Begin a list of paid or volunteer jobs and note whether you enjoyed them or not
- Make a list of courses or activities and note whether you enjoyed them or not
- Gather information about different colleges to select the right school
- Attend freshmen orientations to learn more about your school of choice

#### **Parent's Role**

- Go through college information with your student and help them sort out what is important
- Help your student choose the college that is going to best fit their (and your financial) needs
- If possible, attend freshman orientation with your student and talk about what you both have learned

#### **Career Services' Role**

- Present information to parents of in-coming freshmen through Orientation presentations
- Present information to in-coming freshmen through Orientation presentations
